The undersigned hereby applies for permission to construct a side sewer permit as indicated on Page 1 of this Form. The undersigned hereby agrees to construct a side sewer as above applied for subject to the following stipulations:

1. That all regulations and requirements set forth by the Side Sewer Resolution and any amendments thereto of the District be complied with fully and completely. Said Resolution by this reference is included in its entirety as part of this side-sewer permit application and the issuance of this permit and acceptance by the owner, or his agent, will be construed as prima facie evidence that the Owner, or his agent has read same and agree to its terms and stipulations in their entirety.
2. The Owner hereby agrees to maintain the side sewer constructed under this permit in accordance with the rules and regulations of the District and further will permit access with entry by authorized representatives of the District on the property described in this permit at any reasonable time for purpose of inspection for compliance with all District regulations.
3. The Owner is hereby notified that the District sewerage system is of the sanitary type system and he agrees that he will not at any time connect storm drainage from any source to the District's system; this includes, but is not limited to the following.
  - (a) Roof Downspouts
  - (b) Building Footing Drains
  - (c) Springs on the Property
  - (d) Any Outside Ground-Water Drains.
4. The Owner and his Contractor hereby agree to accept full responsibility, and to hold the District harmless, for any liability, damage and/or costs, which may accrue from prosecution of side-sewer work under this permit.
5. The Owner and /or his Contractor hereby agree to safeguard the work done under this permit in such a manner as to prevent injury and/ or damage to the public. Such precautions shall include the employment of all necessary ditch safeguards such as lanterns, barriers and safe access or egress through the working area.
6. The Owner and/or his Agent agree to employ a side-sewer contractor approved by the District that has an adequate and satisfactory certificate of insurance and is bonded to the District in the amount of \$5,000.00 for all work to be prosecuted on public roads and R/W's
7. The Owner and his Contractor agree to install the side-sewer covered by this permit in full compliance with the Sketch entitled "Side-Sewer Requirements," which includes, but is not limited to the following:
  - a) Cover on Sewer Piper at property line to be at least 3 feet.
  - b) Cover on Sewer Pipe on private property to be at least 18 inches.
  - c) Minimum grade to be 2%
  - d) No bends to be sharper than 1/8 (45 degrees) bend will be permitted without a cleanout.
8. The Owner or Contractor shall test the side-sewer by means of a water or air test, test shall be conducted during inspection.
9. No backfilling will be allowed until the work has been inspected and test results approved by the District's authorized inspector.
10. The Owner and his Contractor agree that all street cleanup and road restoration will be made to the satisfaction of the governing authority, i.e., City, County, State Highway, etc.
11. The Owner and Contractor agree to obtain, at no cost or liability to the District, all other necessary permits for construction work to be accomplished under this permit.
12. ALL PLUMBING OUTLETS WILL BE CONNECTED TO THE SEWER.
